The Governor Dummer Allies - a venerable organization comprised of men and women - contribute significant time, money and energy to the Academy. Under the auspicious direction of its President, Mrs. Barbara Liss, the Allies sponsor a variety of fund-raising events throughout the year - the Dinner/Theatre, the newly established Golf and Tennis Tournament and the Flea Market/Barbeque Luncheon. These efforts support the scholarship program and furnish equipment for various courses and activities. # Bragdon's Are Well Received!

Mr. & Mrs. Bragdon and Katherine

February 8, 1984

Any appraisal of the school this year would be remiss if it did not applaud Mr. Bragdon for the commendable turn around in attitude he has brought to the school, and how far it has come. It is obvious to anyone who was here last year that the student body has a much more positive attitude, and is more enthusiastic towards the school. Mr. Bragdon has mastered the art of "pep talks", and is accessible to the students. He has successfully turned the community in a new and better direction. For the first time in anyone's recollection, no one has been expelled from Governor Dummer by this point in the year.

How many students can remember being inside the Mansion House, let alone being invited every Saturday night? These "Open Houses" make the Headmaster less of a figure who can be seen only on rare occasions, but rather a person who can be communicated with and can provide assistance as a friend. This type of communication will prevent the chance of a rift separating the student body and administration, as happened in late February and early March of last year. Mr. Bragdon's open and positive attitude is his greatest contribution to the community. So, Mr. Bragdon, stand up in front of the school and take a well deserved bow.

"Non sibi sed aliis." exemplifies a very important member of our community: Mrs. Dorothy Bragdon. Headmaster's wives usually *complement* the role of their husbands by serving as official hostesses. However, Mrs. Bragdon *supplements* Mr. Bragdon. Her warm hospitality and kindness add vital life to the community.

Mrs. Bragdon enrolled in a student photography class. Although she did not have to take the exams, (Something for which she is very grateful!) she learned how to take and develop pictures. Her photo essays consisted of students, a collage of which hangs in the Mansion House kitchen. The true test of her rapport with students came with Open House - a test she passed with flying colors. Saturday nights, Mrs. Bragdon's homemade chocolate sauce simmers on the stove; pancakes, pizzas, subs or donuts fill the kitchen with not just a pleasant aroma, but many students. Not only does she provide games - Trivial Pursuit, Monopoly, etc - but she feverishly competes with the students. Mrs. Bragdon graciously adds these touches of home for the students. We are fortunate to have her grace the campus with such a thoughtful, friendly and cheerful presence.

# *Dedication*

. . . always ready to give a hand . . .

*A person with a sense of humor can survive the boarding school life, but the one who can regale his students and associates with an endless number of anecdotes that alleviate the daily routine is a true contributor. A person who teaches the skills and techniques of a sport is a coach. A coach who does more than this is a mentor, giving generously of himself and his time. Twelve years of dedicated effort have developed a first rate hockey program, and established a friendly atmosphere for twelve generations of boarding boys in Perkins dormitory.*

*We, therefore, are proud to dedicate the*

1984 MILESTONE

*to an unselfish mentor and good friend:*

*Charles Stephen Harrington*

It was some years before his death in 1762 that William Dummer, Lieutenant Governor of the Massachusetts Bay Colony realized that the colonies must produce their own leaders. It was for this purpose that he unselfishly left his home and lands for the establishment of a school which came into existence in the year 1763. This was the first act of many to follow over more than two centuries which have brought us to Governor Dummer Academy in the year 1984 . . . the Academy's two hundred twenty-first.

It was William Dummer's thought that such a school would train young men for service to their fellow man. He could not be blamed for not realizing that those leaders would also be young women.

The present school motto can be traced back by taking a quick look in Schumann Science Center where a plaque hangs by the west entry. This plaque tells of the generosity of seventy-one alumni who made possible the construction of Lang Gymnasium in 1925.

In 1971, Lang Gym became Schumann Science Center. At the bottom of the plaque appears the phrase "NON SIBI, SED ALIIS" - Not for self, but for others.

The year 1983-84 has seen a rebirth on the emphasis of growth — not just for one's own benefit, but so the individual may help others. We are greatful to Mr. Bragdon for bringing a great tradition of service into sharper focus by making an obscure phrase into the school motto —

NON SIBI, SED ALIIS

1763-1984
NOR DUMMER
ANNIVERSARY

The four legs upon which a school stands are its faculty, its students and their parents, and its alumni. The Academy has been blessed in its recent history by having unique continuity in its faculty.

In the year 1930, Headmaster Edward Eames brought new vitality to the school and a group of faculty who were to serve until their retirements over the past decade. This group became affectionately known as the Old Guard and included Mr. Eames, Arthur Sager, Mac Murphy, Tom Mercer and Ed Dunning, who were joined soon by Ben Stone, Buster Navins and eventually John Witherspoon. Modern day governor Dummer was molded by these men with their 304 years of service.

A new "Old Guard" has now emerged with men of long service to the school and its students. They are still active and include Heb Evans, Dave Williams, Doug Miller, Bill Sperry and Bob Anderson. Their total time of service now amounts to one hundred fifty-two years of teaching.

Five of the Old Guard at Investure include Sager, Murphy, Stone, Navins, Witherspoon.

# To Serve Them All My Days

Seldom known by the students are the Trustees of the Academy. We are fortunate to have had a particularly fine history of devoted Trustees. They are the real "owners" of the school who are the ultimate policy makers and hire the Headmaster. Their support is evident in the success of the school and, more obviously, in the physical plant, parts of which bear some of their names.

The Allies, a group of parents and friends of the Academy, are discussed on page 2 of this book. They have a long history of interest in the school.

The staff which loyally has kept the institution functioning, includes secretaries, maintenance workers, special tutors, nurses and doctors, food service personnel, store operators, business facilitators and development organizers.

# FRESHMEN

The year started out with our Freshman picnic. This event was planned so that we could get acquainted with each other and we did just that.

Our fall term was a very productive one. We had Chessy Wood playing Varsity Soccer. Carla Rivela had a good part in the Fall play, "Story Theater." The Thirds Soccer Team, with a majority of Freshmen players, had the best sub-varsity record. The special characteristic of our class was seen by all - spirit.

By the winter, we started to crank. There were many great activities that took place. One highlight was the music concert, featuring tremendous performances by John Brennan, Carla Rivela and Kris Kobialka. Our sports teams had excellent seasons. Four fabulous Freshmen played Varsity Hockey: Todd Crabtree, Andy Rockwell, Chris Hart and John Fosdick. In addition to strong participation in athletics, the Freshmen also contributed to the Winter Musical, "Guys and Dolls." Lisa Carrigg, Carla Rivela, and Kris Kobialka gave enthusiastic performances.

We had the first-ever G.D.A. towel sale which made an excellent profit for the Class. Some of this money was spent on the closed week-end and will be spent on a class trip.

The Spring term looks prosperous in every area. Athletically, there are strong Freshmen players: Jonathan Blau, Varsity Tennis Team captain: Tom Johnson and Greg Waldman, Varsity athletes. Schlolastically, Beth Johnson and Peter Barton continue to lead the class. Socially, we have planned another great picnic at Mr. Foster's house.

To put it mildly, we have potential. You can expect a lot from the Class of 1987 in years to come!

Tweedle-Dee and Tweedle Dum

# SOPHOMORES

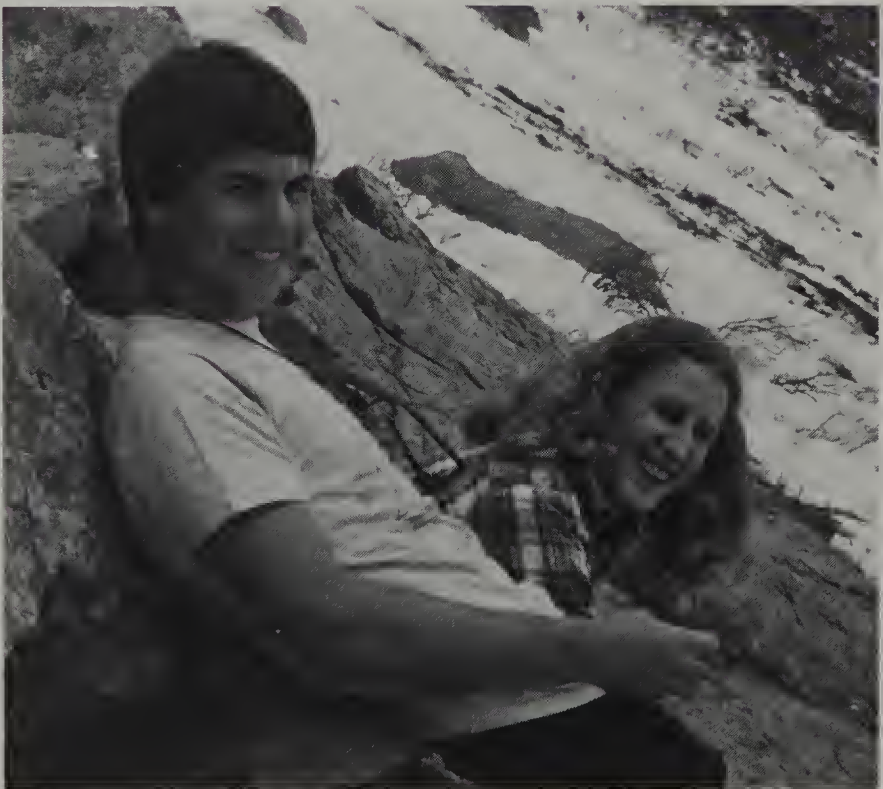
The up and coming class of 1986 displayed their maturity and young leadership throughout the entire school year. All ninety-nine members of the Sophomore class contributed to the Governor Dummer community: academically, athletically, and theatrically.

On the playing fields as well as on stage, sophomores performed in an exemplary manner. Over twenty sophomores achieved Honor Roll status at least once and nearly forty percent of the class made a varsity team while other "Hollywood bound" sophomores held roles in the three drama productions.

Led by President Paul Nardone, Vice President Steve Breiseth, Secretary Lindsay Seward, Boarding Rep. Bill Sweeney and Day Rep. Alex Marculewicz, the class achieved great financial success from their sell-out sale of G.D.A. winter hats.

Highlighting the year was the Sophomore Closed Weekend in which the entire class pulled together to organize one of the most fun-filled closed weekends of the year. It started off with the Friday Night Talent Show and ended with the exciting Ping-Pong tournament on Sunday.

The Class of 1986 patiently awaits their turn to lead the school through another great year.



# JUNIORS

The class of 1985 is made up of people from various backgrounds with a wide range of talents. The special quality of this class is its ability to come together to accomplish class activities such as the Junior Olympics and the Junior weekend.

Class officers include president Anthony Fusco, vice-president Sam Blatchford, day rep. David Starensier, boarder rep. Rob Turner, and secretary treasurer Sean Mahoney.

In addition to being a strong class as a unit, it is one of the most individually talented classes in the school. A consistent group is found on the Honor Roll each quarter while a select few are found on the High Honor Roll. Also, key members of this year's drama productions have been juniors. Not to mention the incredible athletic prowess that is possessed by the group.

This year's junior class is a good one that as seniors will prove to be a great one.

A definite lack of class stability

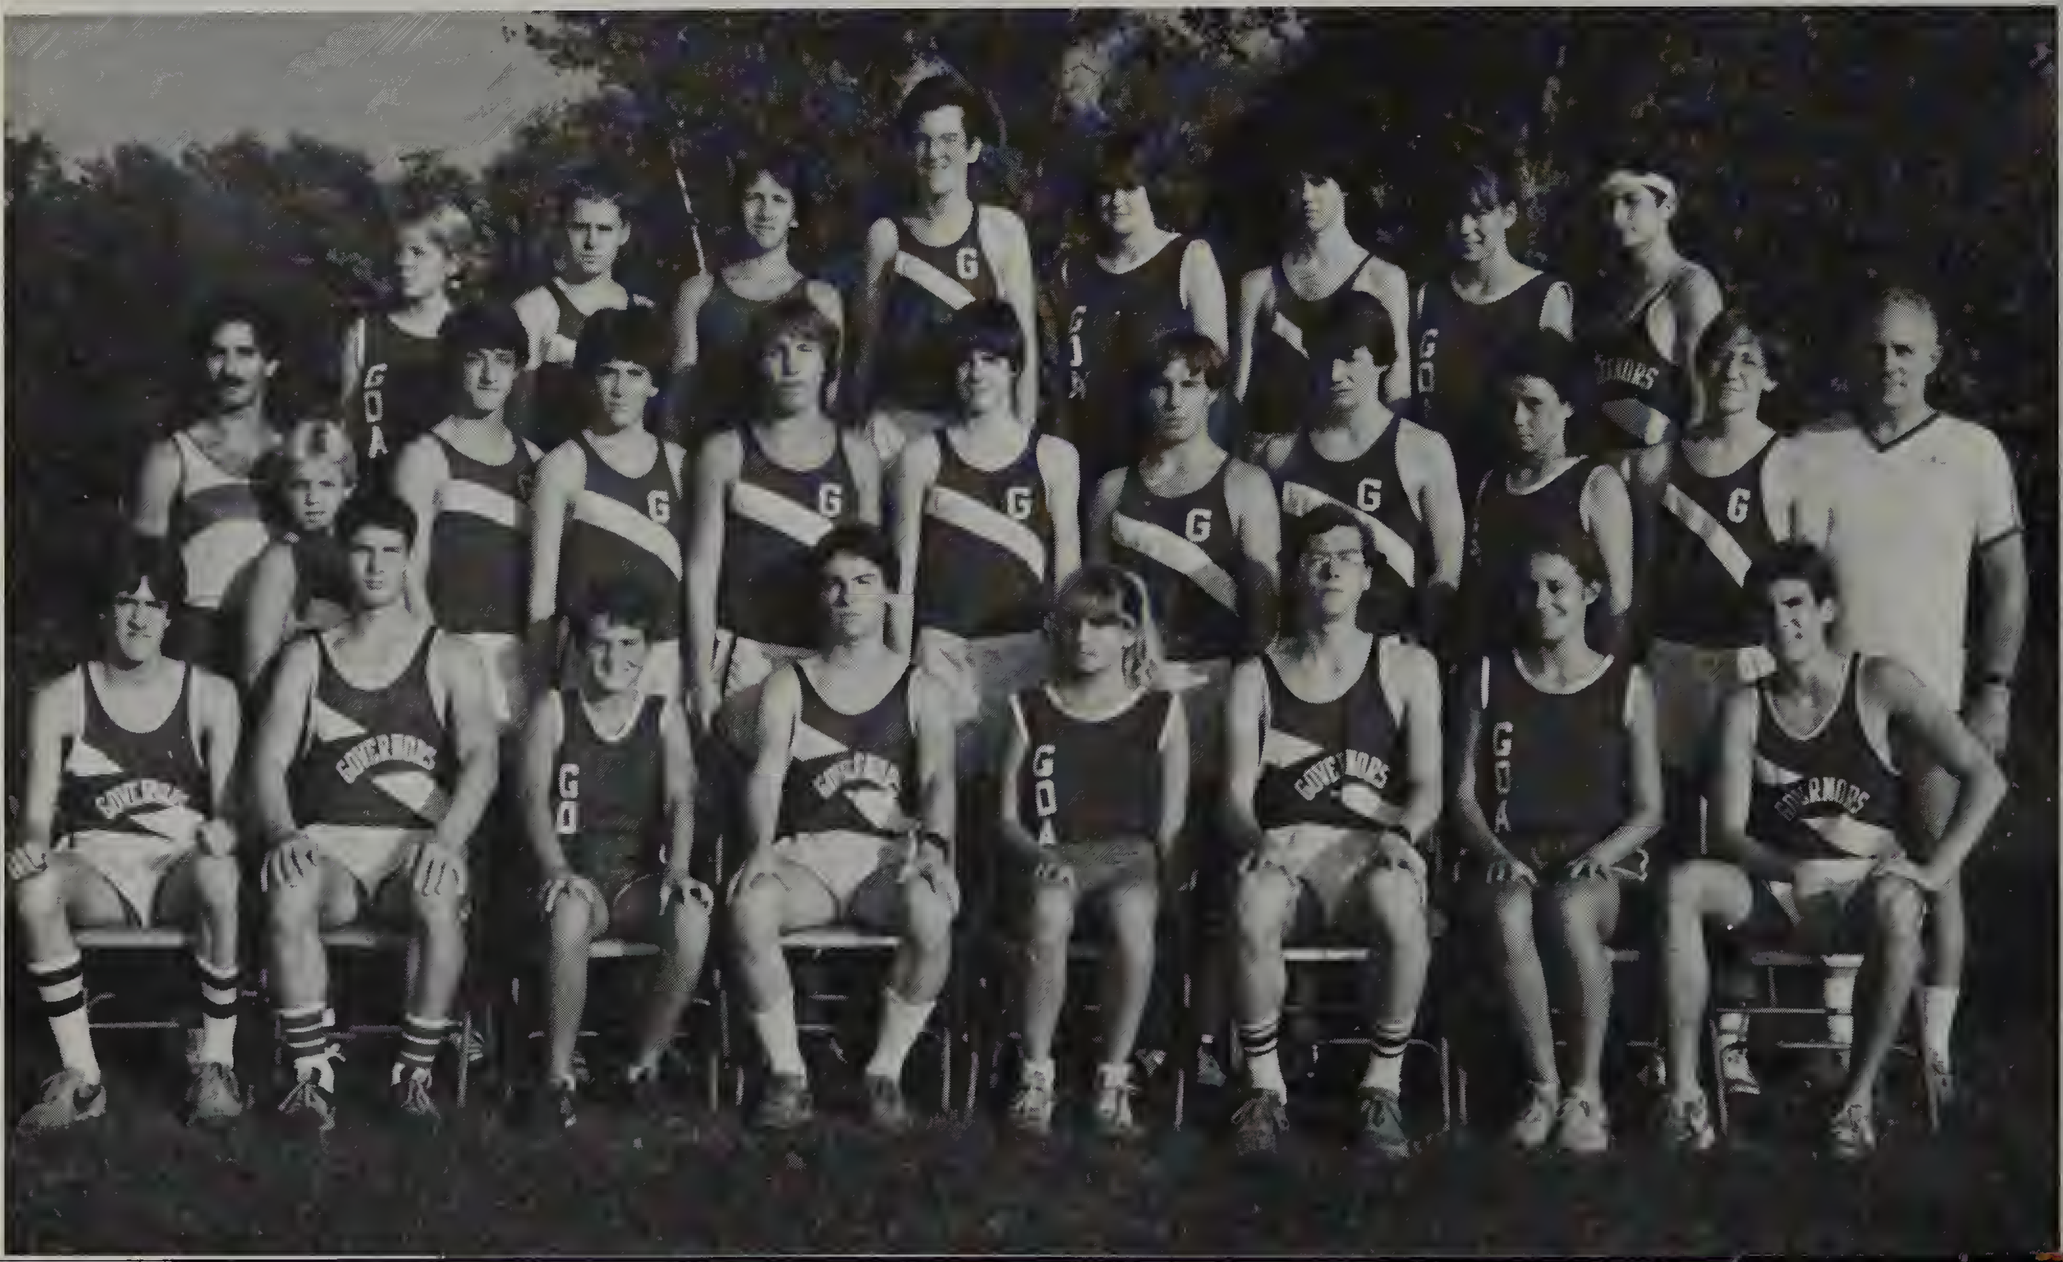
| Final Record | 7-3 | |

The season was very successful for each Cross Country team. A lot of records were set and broken: among the junior varsity alone, personal records were broken forty times during the course of the season. But the season is best represented by the memories it left the runners with. One is the first varsity triumph over arch-rival Thayer in years. The team will never forget the cheer that went up when the scores were in and they had won. What runner could forget the infamous workout before Thayer on that half mile long hill in Amesbury? Or the dreaded words "one more 440"?

The team was closely-knit, exemplified by the celebrated Friday night

First Row: G. Longstreet, C. Cashin, K. Golden, J. Giantis, A. Hagstrom, H. Long, K. Grillo, M. Terrille Second Row: Coach Abusamra, C. Dobrisielski, J. Karas, G. Warden, M. Haack, S. Uttam, A. Haack, C. Heasly, C. Labrie, J. Brennan, Coach Sperry Third Row: A. Berghager, T. Marsh, R. Gentile, J. Mackay Smith, B. Donaldson, M. Ginsberg, E. Marden, G. Hasapidis



team dinners, the annual popcorn party at Coach Abusmmra's house, and dinner out together after the Interscholastics. The team was also very close to its' coaches and enjoyed joking around with them, especially Coach Abu, who again tasted pond water with a smile when the team kept the annual throw-the-coach-in-the-pond tradition. But the season wasn't all fun and games. The team worked very hard, most runners logged about 350 miles for the season.

All in all, it was an excellent season. The Harriers did not go undefeated, but they ran their hardest and competed with honor. Coach Abusamra had the following to say at the end of the 1983 season: "This team was honestly the best team I have ever coached. It exuded class all around."

# WRESTLING

This year's wrestling team met with bittersweet success. While only winning four of its twelve regular season meets, the team came alive during tournament play. At the Graves-Kelsey Tournament, which includes thirteen ISL schools and four southeastern New England prep schools, GDA came in sixth as a team and placed four individual wrestlers. Andrew Webber (110 lbs.), Gerry Tallman (121), and Brian O'Dell (167), all came home champions while Jim Tagg avenged three earlier losses and took third place at 115 lbs. Peter Condon (133), David Gould (130), and Greg Waldman (145), also contributed to the team score with wins in the consolation bracket.

At the New England Tournament in March, to which all prep schools in New England are invited, GDA placed three wrestlers. Next year's captain, Andrew Webber, took home first place honors at 100 lbs., as did Brian O'Dell at 167. Gerry Tallman lost in the finals to win a second place medal.

Co-captains Tallman and O'Dell leave the team this year along with fellow seniors Mike Leary, David Gould, and Ed Marsh. Juniors Webber, Tagg, Condon, Andy Menyhart, and Sean Mahoney should contribute heavily next year.

The winter track team finished their final season with a mark of 0-4. The team was riddled with problems. To begin with, the team faced the reality that this was to be the last winter track team in the history of G.D.A. To lead this pack of tracksters on their final leg was coach John Friborg. From all reports, Coach Friborg lead these tracksters with pride and dignity.

The team was a small, intense group of finely tuned athletes that met up with the proverbial league power houses. Throughout the season, the team's determination and dedication kept them going when lesser teams would have crumbled.

The team's motto sums up their general feelings: "Never quit until you're on the bus." It was this type of thinking that held the squad together. Although success was scarce, one cannot judge the season on the record alone. The team had a lot more to offer than their record would indicate.

This year's volleyball team was awesome. Finishing the season with a good record, and winning the AISGA tournament clearly proved that we were the best. Our Success can be attributed to teamwork. We worked, played, and won as a team.

When Ms. Clark began the season, she thought of it as a building one. She taught us new formations that really seemed impossible at first, but with so much talent coming up from J.V. we all knew that we had the potential to be the best. We all worked hard, and kept our spirits high.

Although there were no stars on the team, there were many fine players. Kathy Lambert led the team as captain as well as on the floor: her key blocks and spikes always helped us through the tight spots. This is why she received the co-MVP along with Esmee Huggard, who led the team in overall serving. Meredith Lazo was the team's leading setter and was outstanding. Amy Hefford's lethal serves were always the nemesis of other teams. She once served almost an entire game, playing in 13 consecutive serves.

When the tournament day finally came, we were readily prepared.

With revenge vowed against Milton, we were going for the gold. It was either win this match or we were out of the tournament. We lost a close first game, only to get psyched for the second game. Whoever won the third match went to the finals. With the team working together as a well-oiled machine, we won with great performances by Kathie Lambert, Esmee Huggard, Meredith Lazo, Amy Hefford and the whole team (especially Ms. Clark).

We entered the finals ready to draw blood. Lawrence was making a lot of noise and yelling "We want it!" But, we just thought, "You can't always get what you want!" This proved to be true because in just two quick games, we wiped them out!

# NORDIC SKIING

## A building year

With our new coaches, Bill Caldwell and Mrs. Haack, and a young, enthusiastic group of kids, this year's ski team had it all together.

Excellent performance in meets was not the main goal this year; only six members of the program returned, three of whom were varsity members. And although we always finished last and almost beat Lawrence, there were some fantastic finishes. Jeff Kelly's third at Middlesex was a commendable performance and Jill Twomey's fifth at Concord was certainly a memorable finish.

However, this year was concentrated on building the program and having some fun. Composed mainly of talented freshmen and sophomores, the future team looks good. Bill Caldwell did a fine job of coaching and earning everyone's respect. His patience and Mrs. Haack's dedication kept the team together.

Completely a building and learning year, we have hope for a promising season next year. We had our fun this year; next year we will work hard because we're looking for success.

# MEN'S BASKETBALL

## A tradition continues . . .

Co-Captains Bucknell and Carlson with Coach Metz

With the loss of the incomparable Andre LaFleur and other key players to graduation, the '83-'84 Men's Varsity Basketball Season was not going to be easy.

Behind co-captain Steve Bucknall, the league's top player, and Paul Nardone, the smooth sophomore shooting guard, the Governor's made is seem easy early, winning their first six ISL games.

With the exception of two heartbreaking losses to B-B&N and Thayer, the season up 'til this point had gone rather easily. It is here that the team did lose four out of six games, but gained valuable lessons that it will carry next season.

Go back a few weeks to Christmas Break, and one will find the high-

light of the season, the Trinity Episcopal Tournament in Richmond, Virginia. In the first game the Governors beat Hopwell High at the buzzer with a spectacular tip-in by Steve Bucknall. The next night the Governors came out flying in the championship against Trinity, but lost by three. Bucknall and Nardone were named to the all-tournament team.

Overall, it was a tough, yet enjoyable year for the team and new coach Steve Metz. The club will certainly miss seniors Carlson, Shula, and Pharaon (who played well in the last few games). It will also look forward very much to the return of starters Bucknall, Nardone, and Fusco, along with the improved Moore and Junior Carlson. Not to mention the infamous "Pine Bros." (Juniors Leary, Terrile, and DiNanno), guys who contributed with spirit and consistent play when called on.

Coach Peter McDonnell led the Varsity Golf Team to a second place finish in the I.S.L. this year. Although this was the first year out of the last five seasons that the golf team did not place first in the league, the team is young and promises a successful future. Captain Stephen Glazer was elected an all-league player and was a medalist in the Witherspoon Cup - three matches against Phillips Andover and Exeter. Andy Menyhart and Jon Shain, the three year varsity members, continued their fine play this year. Sophomores Steve Breiseth and George Liss have displayed their superb golfing talent as well. Two rookies, Chris Twomey and Ross Shain, showed some great golfing talent aside from good sportsmanship. David Greenstein, with his witty sense of humor, golfing talent, and mild nature, lifted everyone's spirit all season long. Henry Lapham, Tae Cheung, Greg Warden, and Mark Thomson also demonstrated those qualities that make fine, talented golfers and gentlemen.

The team would like to especially thank Mr. and Mrs. Liss and Mr. Shain for their support.

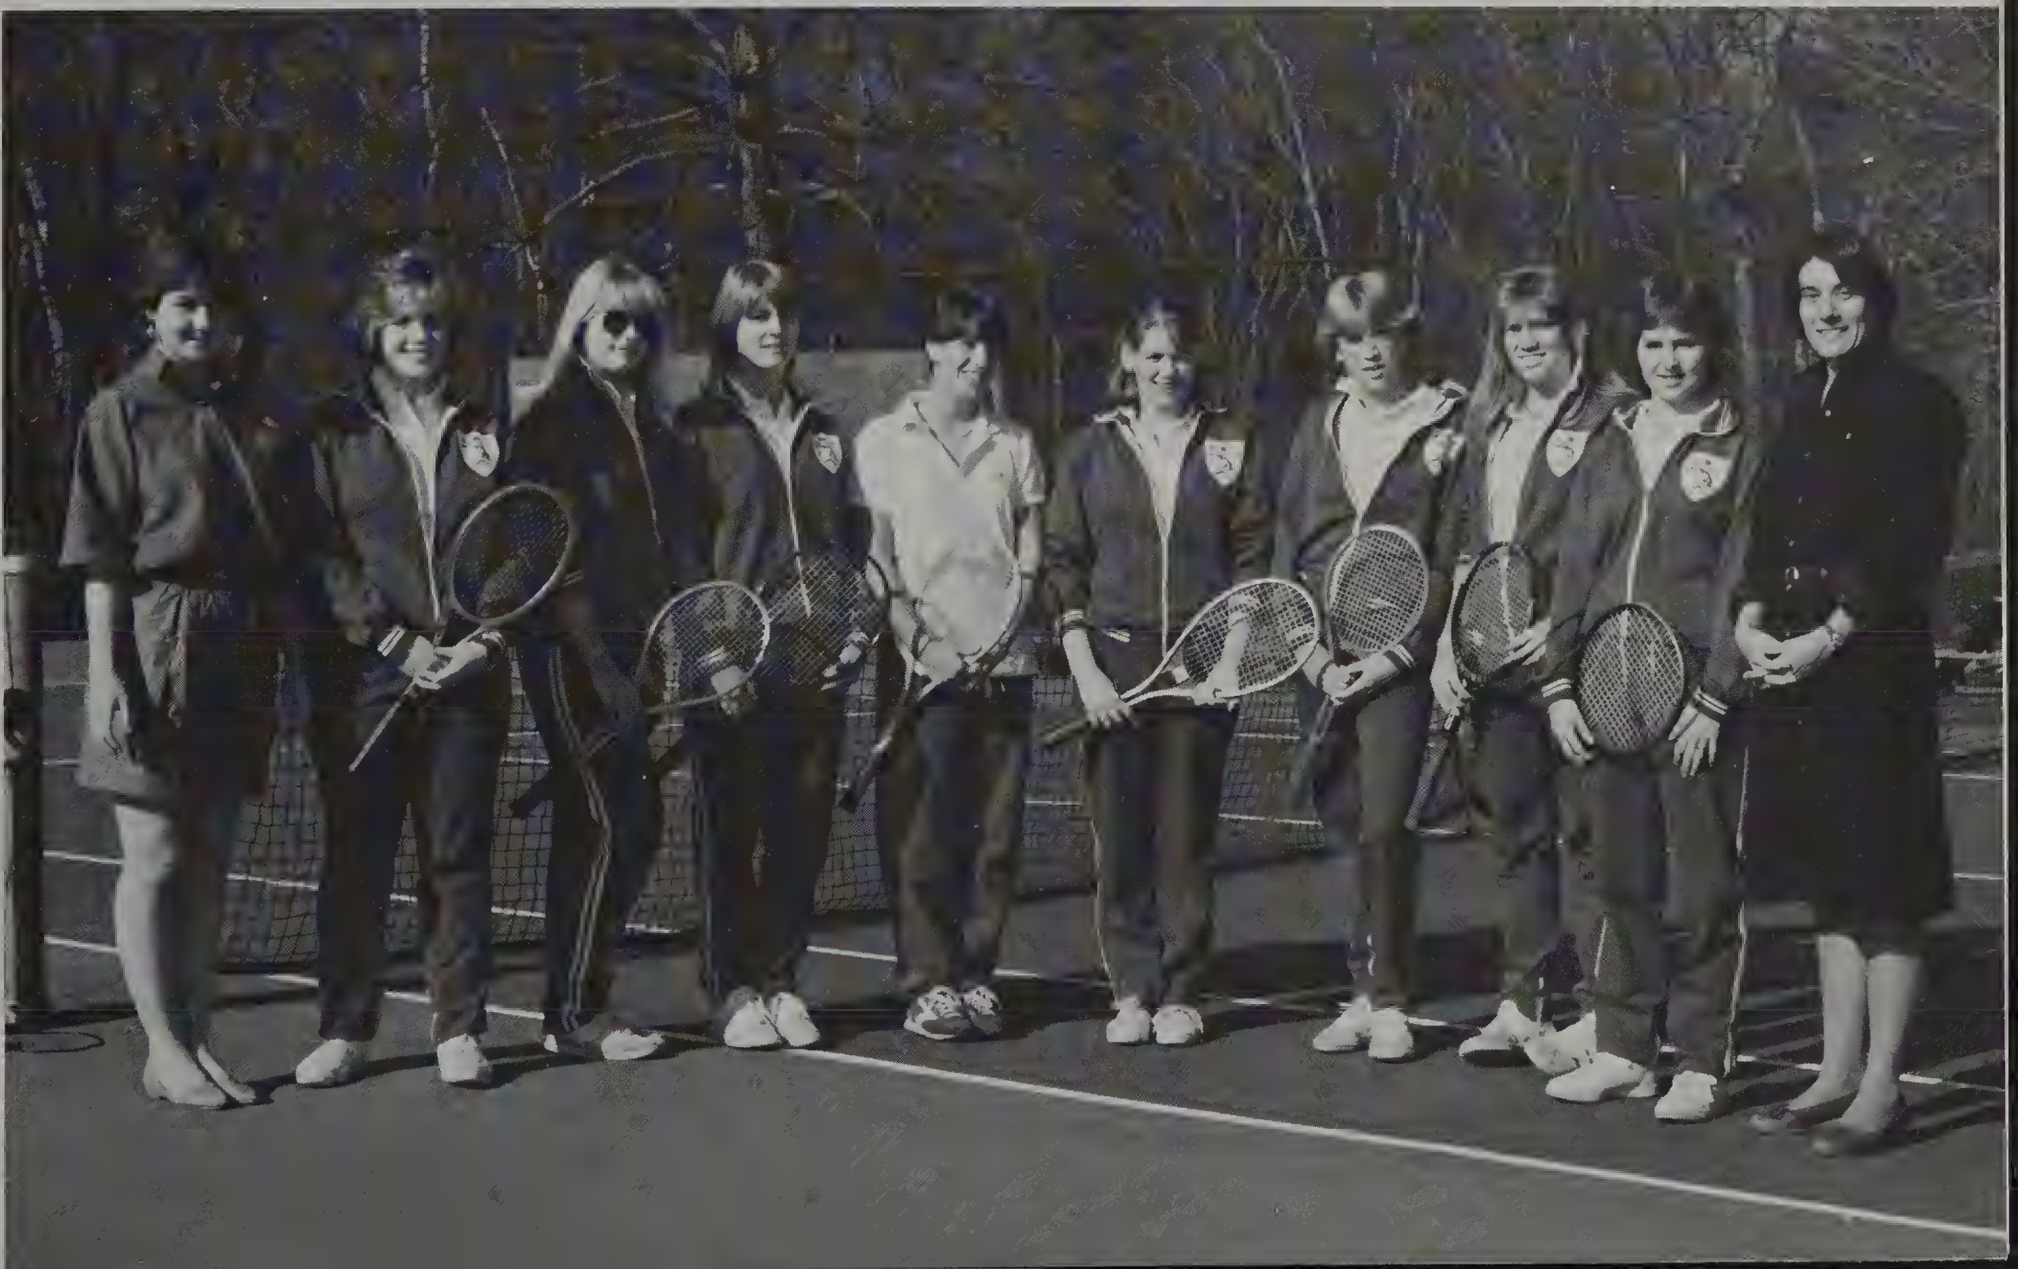
Senior Kristen MacKenzie

Considering the strong league in which the 1984 Women's Varsity Tennis Team played matches, the season turned out successfully. The team won three matches, two of which were I.S.L. matches, compraed with no wins in the previous year. The team began the season with much anticipation and eagerness. This enthusiasm was marred when senior Betsy Tuthill, ranked second on the team, became ill and was unable to play for three weeks. Sophomore Jen Grimes took the number one spot and played valiantly against stronger, more aggressive players from St. Paul's and B-B&N. New members Lisa Demeri and Tracy Beckett added greatly to the spirit of the team.

Although the team did not win many matches, much pride came from working together for ourselves and for the group effort of the team.

Mgr. A. Whynott, R. Pechet, C. Church, K. MacKenzie, B. Tuthill, T. Beckett, M. Sheffield, L. Demeri, J. Grimes, Coach Cleghorn



Unfortunately, the Women's Varsity Tennis Team's coach, Dudley Cleghorn, will not be returning next year. The team received a great deal of support from her and will feel a great loss in her leaving while wishing her happiness as well. All the returning members look forward to next year's season and a more successful year.

Captains John Giantis, Mike DiModica, Charley Cashin, and John Cummings with Coaches Ed Rybicki, Dave Abusamra, and Packy Fusco

It was a tough season. The 1984 Spring Track Team won it's first two meets, but then lost the next five. The team was the victim of incredible misfortune. Six top runners in both the sprint and distance squads fell prey to illness and injury just before the Interscholastic Championship. Nevertheless the team gutted it out and came up with a respectable eighth out of fifteen schools, some of which were Class A schools.

The won-loss record did not reflect the character of the people on the team. The distance squad worked incredibly hard in the rain and heat led by Capt. John Giantis and Coach Abusamra. The Sprint and jump squad fought hard under the leadership of Coach Rybicki and Captains John Cummings and Charlie Cashin. Perhaps the fighting spirit of the team was best exemplified by sprinter Paul Nardone when he threw himself forward and onto a skin-shredding cinder

track to beat his opponent. Self-sacrifice was often the name of the game. The weight crew, led by Coach Packy Fusco and Captain Mike DiModica, put out and played essential parts in winning the first two meets. This squad won the greatest percentage of possible points than any other squad on the team.

Special thanks must go to managers Chris Chance and Beth Johnson for their exceptionally good service to the team.

# WOMEN'S TRACK

Captains Cathy Riley and Kathy Lambert with Coaches Sperry and Letvinchuk

If there was one word to describe this year's Women's Track Team it would be "awesome". Led by Co-Captains Lambert and Riley, the team finished their season with a 7-1 record, the best ever in the history of G.D.A. Women's Track. The team also won, for the second year in a row, the Interscholastics Championship Meet.

Opening the season against Thayer Academy, the girls showed no real indication of what they were going to accomplish over the next two months. The meet came down to the last race and the strength of the Governor's 4 x 440 relay squad pulled them through to their first victory.

The second meet was against Phillips Andover and it was very much like the first. Again it all came down to one race only this time it was the 300 meter hurdles. The superb efforts of Debbie Waters and Kathy Lambert again pulled the team to a

1st row: K. Grillo, A. Mack, M. Royster, D. Waters, K. Lambert, C. Riley, K. Tucker, C. D'Souza, L. Asadoorian, A. Hagstrom 2nd row: Coach Sperry, L. Taplin, K. Golden, A. Berghager, K. Kaplan, H. Moore, A. Russo, J. Adams, M. Asadoorian, C. Rivela, A. Hefford, K. Sullivan, J. Gould, K. Schneiderman, Coach Letvinchuk 3rd row: K. Rybicki, K. Appleton, L. Miller, P. Chase, L. Demeri, S. Gage, M. Donaldson, S. Wallem, D. Stram, A. Blair, E.Diehl

dramatic win, their first ever against Andover.

The following two meets, the team faced St. Paul's, Phillips Exeter, and Portsmouth H.S. After a great deal of hard work and practice, the girls were amazed at the strength they possessed in crushing all three.

The Governors then could brag a 5-0 record going into the Milton meet. This however, was where the team experienced their first and only defeat.

The women's track team breezed through their last two meets against Worcester and Cushing bringing their record to 7-1 for the season.

The 1984 team won't only go down in history as one of the best skill wise, but also as one of the best attitude wise. Everyone on the team worked hard and the enthusiasm was always high. The cheeers were for those who finished first or last. A true team spirit was apparent in a very individualized sport.

The 1984 Women's Track Team was a combination of experience and potential that came together at the best possible time.

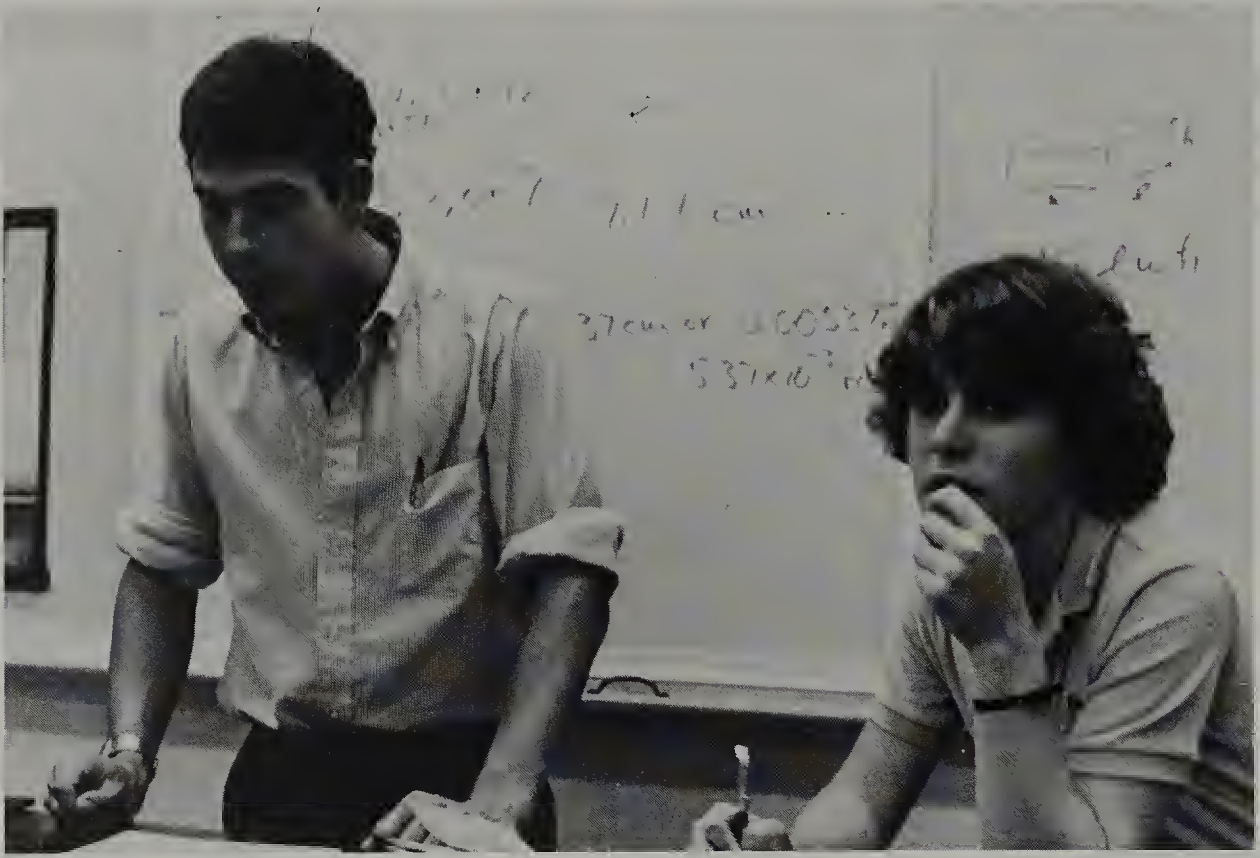
# THE 1984 MILESTONE



MILESTONE editors Charles Cashin and Elizabeth Hanson

The completion of this page completes The 1984 MILESTONE. This book had more than it's share of problems and took nearly three years to complete. It was just one in a series of books that fell prey to lack of commitment and responsibility by those students responsble for it's completion. Production began to fall behind schedule mid-way through the 1983-1984 school year and most people quickly became discouraged and disinterested. When school closed in June of 1984, the 1984 MILESTONE was less than one-third complete. Members of the 1985 MILESTONE staff were able to make some progress with the 1984 book. The class of 1984 showed little interest in assisting with their book. In the spring of 1986 I approached Mr. Miller and told him that I wanted to see the book finished because I had already spent a great deal of time on it senior year. In April I began working, first by completing the sports section with what was available. Most of June and July was spent in the darkroom printing photographs for the organizations and events sections. During the month of August, Kim Grillo and I completed these sections while Mr. Miller finished the commencement and senior sections.

We hope you enjoy this book. If you don't, well . . .

# Commencment

The following comments were taken from remarks by the Headmaster and members of the faculty.

# The Morse Flag

The Morse Flag was first awarded seventy-one years ago at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the approval of the faculty. According to the trust established by the late Glen Tilley Morse, a long time friend and Trustee of the Academy, a new flag is proveded each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

One of the true measures of a presence on our campus is the legacy left behind when graduation sends one of our own off. The legacy of this member of the Class of '84 is immense and it is indelible. She came to our community four years ago and immediately established herself as a presence on the stage with her fierce concentration and poise beyond her years . . . A member of Red Key, a member of The Chorus, Drama and Math Clubs, and Honor Society, a Senior Proctor, President of her Class . . . Founder of the Academy's first dance troupe, the legacy will not only include this visible troupe which will bear her name, but the grace and vivacity with which her many honors were achieved.

ROECHELLE LEVETTE
SMITH

# The Academy Prize

Upon the retirement of Head master Ted Eames in 1959 the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes."

One of the many items of advice given to me by my predecessor, Jack Ragle, was to keep this young man from doing too much. Obviously, I failed in this area as the recipient of this award culminated years of service . . . By co-supervising the busy Red Key Society and co-editing the demanding yearbook while leading three teams as captain and excelling as an athlete and performing creditably in his studies and earning a place in the Class of '88 of the United States Coast Guard Academy.

CHARLES LUTHER
CASHIN, III

# The Thorndike Hilton Cup

Awarded each year to the ranking scholar in the Senior Class.

He has added concentration, energy and tenacity in good measure to his already abundant acumen and curiosity. He has garnered much recognition: The RPI Medal and Cum Laude last June, the Bausch and Lomb Medal and Moody Kent Prize in German moments ago, and standing as a National Merit Scholarship Finalist.

Henry Walton Long

# Specal Prizes

Imaginative music, fine scholarship, and a dedication to sports . . . a genuine warmth to those around him

## NATHANIEL BURKE LEAVITT

A rock of determination, fierce integrity, academic courage and tremendous competitive instincts . . . football, wrestling - winning the Graves Kelsey and the New England Championships, a senior proctor, a leader.

## BRIAN PATRICK O'DELL

Energy, independence, cheerfulness and sensitivity mark her years of active service to the greater community of Newburyport, to student government, to the Red Key. Her directing of our spring play alone would qualify her for distinction.

Security, like insurance is intangible. You can never tell when you may need it, yet you cannot afford the attendent risks of being without it. Most people associate security in stores, health-care facilities, and industrial plants with uniformed, armed guards and police-like regimentation. Hall Security of Bangor operates on an entirely different plan which has gained the respect of clients who use this unique service. Call or write for complete particulars.

Seniors don't get ALL the breaks!!

"Let me tell you, Amy, it's sooo cool being a sophomore."

"OK, pal, so where's the birdie?"

"Don't ever let criticism bother you. If you find something that you really want to do, just, for God's sake, do it with a passion and love it."
